From: John A. Delesandro, Supervisor of Licensing

Hotel and Multiple Dwelling (H&MD) licensing courses are offered through Middlesex County Community College, Continuing Education & Training. Middlesex offers H&MD educational courses for inspectors and for housing code officials at their Edison NJ campus and locations in other parts of the state. Middlesex also offers H&MD continuing education courses at various locations throughout New Jersey.

Please go to their website at [www.middlesexcc.edu](http://www.middlesexcc.edu) and click on Continuing Education and Training, then Professional and Community Programs, to see when and where the courses are offered and for registration information. If you have any further questions, please call 732/906-7740 for assistance. If you have any other questions regarding licensing, please contact my office at 609/984-7834.
